We welcome the opportunity to discuss our wide range of care options with you, whether you opt for private pay or funding through a third party.

Let us help you explore funding options.

Joining Garth Homer

We want to understand how your goals and needs fit with our programs and what you want to achieve being part of Garth Homer. Working through expectations at the beginning is an important first step to providing the right care for someone.

We'll also work with you and 3rd party funders to confirm they have funding for you to access Garth Homer services.

Questions?

Feel free to contact Phemie Guttin at 250-507-0223 with questions about how to access Garth Homer services.

Services tailored to your goals.
